EDITOR'S LETTER

So here I am sitting at the beginning of June, and you guys are already ahead of me. Can you tell me, have England been knocked out of the World Cup yet? If so, I'll nip out and cancel that punt I made yesterday – the odds seemed a bit generous, but now I think about I'm not so sure... Still, one thing you'll always get short odd on is whether *Mayfair's* rammed full of gorgeous babes getting their kit off, and with Jasmine Webb, Zara Mae, Bexie Williams and Mia Middleton in the mix it's another payout!

CROP A LOAD OF THIS

Dear *Mayfair*,

When, after a few years of trying to persuade myself otherwise, I finally faced up to the fact I was thinning on top, I decided I'd do the only dignified thing and shave off the lot. My hair had always been a bit of security blanket for me, having had it long for most of my life, so shaving it off was a big thing for me. My wife, Kate, has spent the last few years hearing me threatening to get rid of it all, so when the time came, she was more than ready for it! So ready, in fact, that she offered to do it for me.

I was pretty depressed about the whole thing, if I'm honest, so we decided to make a night of it - salvaging the best from a bad situation, if you like. We cracked open a bottle of cava and Kate put on some sexy black undies, stockings and high heels that she'd bought especially for the occasion. I stripped down to my boxers too, but that was more to stop the hair cuttings making their way down my clothes, to be honest!

Kate positioned a chair in the middle of our bedroom so I could see myself in the mirror and set up the new electric clippers she'd bought.

To say I was nervous was an understatement. The way Kate wielded the shaver with such glee made me nervous and the first contact the steel made with my scalp freaked me out a bit. Although we'd already cut most of the

being compared to Hollywood hunks, but I knew she was trying to make me feel better. I told her so, but then added that the only thing that could make me feel better was a sexy lapdance from my beautiful wife. Well, a guy's gotta try his luck, hasn't he?

I thought the lack of response was her way of telling me to piss off, but Kate was obviously feeling particularly sorry for me, because as soon as she was happy that she'd done a good job, she put the clippers down and began gyrating in my lap. Now this isn't a regular thing - in fact, she's only treated me to sexy lapdances a handful of times in our 11-year relationship, so I wasn't about to take it for granted. I sat back and relished the sight of my horny wife prancing round in a g-string, my dick hardening with every swing of her slim hips.

She loves to tease me so, as she sashayed around the bedroom, she took off her bra in time to the music before draping it across my chest. Next, a little smile appeared on her pretty face as she turned her back to me and bent over, her shapely arse sticking up into

PICK OF THE POP SHOTS

Dear *Mayfair*,

Every time I get a new issue I like to take a little time to flick through it and pick out my top ten photos that appear in it, in order. Usually it takes me a few minutes to make up my mind which should top the list, but in the last issue as soon as I saw the picture of Blondie reclining casually on page 65, the perfect curve of her boobs highlighted while her flawless pussy seemed to beckon us randy men to come and satisfy it I knew I had my winner. An absolutely tremendous pose of a young woman who's really at the peak of her sexual attractiveness! Needless to say, I've spent many a happy hour since buying the issue, and I still haven't tired of that picture yet! Hats off to Blondie herself and to the photographer for producing such an exquisite image.

Incidentally, second on the list was the wonderful Dani Maye, showing us exactly why she's been such a mainstay of the top shelf these last few years on page 31.

Doug, Cambourne.

length off with a pair of scissors, seeing this fucking huge bald stripe down the middle of my head was a bit of a shocker!

Kate seemed oblivious to my discomfort, however, as she just shaved away, my hair dropping to the floor in clumps as she went on about celebrities with shaven heads and how sexy Matthew McConaughey, Jake Gyllenhaal, Justin Timberlake, and so on, looked with their grade 1 cuts. It didn't really help,

GIVE ME STRENGTH!

Dear Mayfair,

Well the debate about strengths rumbles on, but from what I can see in your latest issue (53.06) it looks like you're coming down on the side who want to see a bit more pussy for their pound(s). Every single girl was happy posing with open legs, even newcomer Cassie, who I very much hope we'll be seeing more of in the future! We all know what a corker Dani Maye is, and it was great to see her back in Mayfair in that wonderful cyan lingerie set treating us all to a proper eyeful of her gorgeous boobs, bum and fanny! Sure if girls this beautiful are happy to go the 'whole hog' there must be plenty of others who are as well!

Katy-Jayne, meanwhile, has shot straight to the top of my fantasy fuck list – those wonderful meaty pussy lips have been driving me crazy this last week or so! Another top notch Mayfair lovely to add to the roster!

the air, and peeled her knickers down her bumcheeks. My cock strained against my thin boxers as she pulled her cheeks apart to show me her moist pussy. She's got quite a thick, dark bush, so I said fair's fair, she should let me shave it. She told me she'd actually prepared for that, as a bribe if I bottled the head shaving. But as, by now, I was a bit too pissed for her to trust me with a razor, we used her hair-removing cream instead.

A few minutes later we were both stood in the shower, watching her pubes melt away to reveal a beautifully smooth, pink pussy. She gave herself a bit of a grope and said I had to feel it. Patted dry it was so soft and silky, and I couldn't resist finding out how it felt against my face! Ploughing my head between her legs, I ran

my tongue along her slit, slurping away at her hairless lips. She's well ticklish, so the stubble on my head and chin drove her crazy. In the end she clamped her thighs tight around my ears, so she could focus on taking my tongue!

Sucking her had never felt so wet and sloppy, cunt-cream flowing free with nothing to mop it up. I was making all sorts of dirty, horny noises, especially when I stuck a couple of wet fingers up her arsehole, pumping them so her pussy spasmed with pleasure.

By now my dick was so hard it was almost hurting, and when I gave my mouth a rest she got me in position, rubbing my dark-purple helmet all over her mound. Her skin so pale, although when she opened up her labia, her slit looked really engorged and pink. I was almost mesmerized, watching her play with my knob like this. I'd fucked her all ways so many times since we'd been together, but this was something new.

Maybe I got a bit too carried away because the next thing I knew I was blowing my load all over her cunt, white sticky jets splattering all over it, bubbling up as she carried on rubbing my prick against it, until I was totally spent. This was a new one on me too – I don't normally get that overexcited. But she was pretty forgiving when I licked her pussy clean.

Back in the bedroom, I had her on all fours to give me a rear view. Now she'd come a couple of times, even her outer labia were blushing. I pushed in slowly, feeling every inch of my dick sink in until I was right down to my nuts in her pussy. She had a vibrator on her clit so all I had to do was fuck away, sure now that she'd come again before I did. Sure enough she was off in seconds, and then once more just before I felt my balls seize up and I sprayed my spunk all the way inside her.

I've gotten used to my haircut now, although I do still miss my longer locks. But, being the amazing woman she is, Kate always shaves my head for me and we always end up having the best fuck afterwards. She's kept her pussy nice and smooth for me too, which makes me question why I didn't get rid of my hair years ago!

Jaz, Hampshire.

TOE STORY

Dear Mayfair,

I am a regular reader of *Mayfair*, and I have enjoyed the magazine a lot. Often I have been pleased to see girls going barefoot in

their pictures. Whilst not a foot fetishist, this is something that I think is nice.

I never used to like girls' feet much. I didn't dislike them but was indifferent to them. That was until I went to University. I started sharing a house with another guy and two girls, who were both very friendly, attractive and often went barefoot around the house.

One day I was returning to the house earlier than I thought I would be and went indoors and noted that the only person in was Louise. She was the same age as me, 19, and we got on very well. Her stereo was on and I assumed that she was in her bedroom. I decided that I needed a shave so I went upstairs

Here at *Mayfair* we like to feature the hottest babes from all across the British Isles, but of course sometimes you find the finest things right on your own doorstep, and luscious London lovely Jasmine Webb's the perfect example! Rather staggeringly, she's been modelling for a full 10 years or so already, which doesn't really seem possible looking at her – and we spent plenty of time doing that when she came in for this shoot! A curvy beauty in a topless corset – perhaps there are better ways to kick of an issue of *Mayfair*, but I'm buggered if I can think of one right now!

to the bathroom, walked in the door and closed it behind me.

Louise was in the bath; her eyes shut as she frantically rubbed inside her legs. I was surprised and just stood and looked at her. Suddenly Louise opened her eyes. I thought that she would be angry but to my relief she wasn't.

She smiled at me and lifted her left foot out of the water and rubbed it against my cock, which was now rock hard. She told me to get my cock out so I did. As she started to rub herself again she wanked me with her foot, rubbing her wet sole up and down against my cock until I came all over her foot and ankle. After letting my come trickle down her leg a bit she put her foot back in the water and carried on frigging for a few minutes until she came herself.

Nothing more happened until a few weeks later when Louise and I were home alone. We had been to the pub as there was nothing on TV, and on the way back she said she was going to the local shop.

Innocently I asked her to get me a copy of *Mayfair*. After I got indoors she came in and handed me the mag, saying, "have a nice wank," and giggling. Then she kicked off her shoes, got herself a drink and went

upstairs for a bath.

I was watching a crappy film on TV when Louise came back down and sat next to me. She was wearing only a white bathrobe.

She leaned forward to get something from the fridge and slid off the settee. Her robe lifted up giving me a good view of her bum and pussy – which was shaven. Louise saw me start to go red and told me not to be embarrassed. She told me to go and fetch the mag. I did.

After several minutes of looking at my *Mayfair*, Louise stood up and undid her robe. She started to act out the various poses taken by the girls. After a couple of positions she was completely nude. My cock was getting very hard and I gently rubbed it through my trousers. Louise saw me and walked over to me, rubbing me through my trousers.

She said, "Me too", and grabbed hold of my hand and put it between her legs. She opened her legs wide and told me to lick her. I started licking her pussy while still using my hands.

Pretty soon, Louise pushed my head away. She snogged me hard and said she would finish herself by hand. I sat down to watch her and before she started frigging, she leaned forward and undid my trousers and boxer shorts and got my

STOCKING UP!

Dear *Mayfair*,

As a stockings and suspenders fan of long-standing I was naturally chuffed to see that nearly all your ladies in the latest issue were sporting such hosiery – it's touches like that that make *Mayfair* stand out from the rest of the top shelf after all these years. My personal favourite is flesh-coloured stockings, so I particularly enjoyed the photos of the curvy Amber Jade and the coverbabe Cassie, although I have to say Katy Jayne ran them a close third. Please let's have plenty more suspenders and stockings – I'm sure Luna wouldn't look to shabby in a set!

Brian, Hants.

cock out. Taking a look at my balls she said, "You need to come! Looks like you haven't wanked since the other week." She was right. As she settled into the rhythm of frigging herself she rubbed her foot on my cock. I had never thought about feet that way, but hey, it felt good. And left her hands free. After a few minutes I came and so did she shortly after that.

Once the mess was cleaned up we

showered together. Although we were never more than friends and never had sex, we had several more wanks together that year. And she didn't just use her feet.

So now you can see both Louise and *Mayfair* are largely responsible for me liking bare feet. When girls pose nude it seems more natural and more intimate. It makes the girls seem warmer and friendlier.

Marcus, Littlehampton.

When Sibyl first shot for us for issue 53.01 a few months ago we were treated to a little lesson on the divination habits of the ancient Romans, and while that was all very interesting, most of the letters we've received about her since then have tended to concentrated more on her lovely bod and slightly retro muff arrangement, begging us, on account of both, to get her back in the magazine sooner rather than later. Well, issue 7 means we're just over half way through the volume, so here she is! And this time round we won't go on about her slightly unusual name – let's just feast our eyes on her spectacular body instead, 'cos it sure ain't Fawltly!

ELECTRIC DREAM!

The new Jaguar I-Pace may look pretty spiffy, but that's just the start of its appeal...

It all started around 20 years ago when Apple introduced the first iMac and not only saved itself from bankruptcy but became a brand others desperately aspired to be like. Since then, the letter 'i' has been linked to most consumer personal items, although the I-Pace is unusual in that it actually feels like a product Apple might have come up with itself. As an electric car and an SUV, it's bang on trend, competing in two sectors of the car market that are

electric or otherwise.

In addition, as in all electric cars, maximum torque is available from the minute you press the starter button, instead of you having to wait for the revs to rise to a certain level, as you do with a conventional engine.

All of this means that, whatever speed you're doing, there's virtually no delay between you putting your foot down and the car surging forward – something that helps the I-Pace feel even faster than the

It no doubt helps that the batteries are positioned beneath the floor, giving the car a low centre of gravity, and that there's a perfect 50/50 weight distribution front to rear. Add in precise, well-weighted steering and it's a lot of fun.

THE I-PACE WILL BE THE FIRST JAGUAR TO BE OFFERED WITH APPLE CARPLAY SMARTPHONE MIRRORING...

Interior fit and finish are strong, and the mechanical layout means there's a lot of oddments storage. It has also given the design team some flexibility on the outside.

The cab is further forward than an internally combusted car's; the car looks agile and it retains a big grille, even though it doesn't need all of it for the three independent cooling systems (motors, battery, interior).

The top section flows air through a gap and onto the bonnet, maintaining easy, laminar flow to the body, whose black sides break up the bulk to the back, which is, perhaps, the least striking part of the car.

It encloses a spacious, 656-litre boot, mind, and

there's a 27-litre compartment at the front, too.

Forward visibility is good, despite the I-Pace having a long dashboard, but thick pillars and a shallow rear window mean your view of what's behind is very limited. Lucky, then, that you get a 360deg camera and rear cross-traffic alerts as standard!

As in other modern Jaguars, the upper dashboard is dominated by a large touchscreen through which you access the satellite navigation, phone and stereo functions. However, in the I-Pace, the lower centre console is also touch-sensitive and used to control secondary systems.

The downside of touch-sensitive panels is that they tend to be distracting to use on the move, because they force you to take your eyes off the road to find the correct area to hit.

growing fast. And, just as importantly, it looks like it's driven straight off the set of a sci-fi movie.

True, Jaguar isn't the first brand to build an electric SUV, having been beaten by Tesla and its Model X. But that's a much bigger car and costs almost twice as much. For the I-Pace, Wolfgang Ziebart (Technical Design Director - Jaguar Land Rover) told reporters, "The goal was simple – to design the best electric car on the planet." And it looks to us like they've only gone and done it.

Two electric motors are fitted: one at the front and the other at the rear to provide four-wheel drive. Together, they pump out 395bhp, which is enough to get the I-Pace from 0-60mph in 4.5sec – slightly slower than the Tesla Model S but significantly faster than the vast majority of cars,

figures suggest.

A battery pack with a capacity of 90kWh gives the I-Pace an official range of 298 miles on a single charge, again surpassing most other electric cars while falling just short of the 304 miles of the Model S 75D. But it's worth bearing in mind that, unlike the Model S, the I-Pace was tested on the latest WLTP cycle, which is intended to better reflect real-world conditions.

Stuffing a car with lots of batteries inevitably makes it very heavy (the I-Pace tips the scales at just over 2.1 tonnes), which is far from ideal when it comes to handling. And, sure enough, you really feel that weight shifting onto the outside wheels when you turn in to a corner at speed. However, it quickly settles, hangs onto your chosen line tenaciously and body lean is well controlled.

“WHATEVER SPEED YOU’RE DOING, THERE’S VIRTUALLY NO DELAY BETWEEN PUTTING YOUR FOOT DOWN AND THE CAR SURGING FORWARD.”

However, the I-Pace’s are complemented by two large rotary dials that can be operated by feel and change function depending on the menu selected, which helps a bit, as do the separate buttons that let you cycle through the various driving modes. Even so, some functions are still buried deep within the on-screen menus and can really only be operated safely when the car is stationary.

If different drivers have their own key fob, the I-Pace can use this to learn their preferences and ensure their usual climate control and infotainment settings are ready every time they get behind the wheel. In addition, the I-Pace will be the first Jaguar to be offered with Apple CarPlay smartphone mirroring, although not from launch. See we told you it was an iMac with wheels!

The I-Pace isn’t going to convert millions to electric motoring on its own, but it undercuts the rival Tesla Model S – as well as the Model X – which is just as well, because while Tesla gives you 1000 miles a year of free charging and access to its supercharger network, I-Pace buyers will have to charge at home or pay to use public chargers, although this should still work out a lot cheaper than filling a petrol or diesel car.

Recharging the batteries to 80% capacity from flat via a standard wall box (as you might when plugging in overnight) takes 10 hours, while 50kW public chargers reduce that time to 85min and 100kW chargers 40min.

There aren’t the tax incentives for electric car buyers that there once were, so even though you don’t pay any road tax or the London Congestion Charge, you would have to pay a £310 annual luxury car tax. Still, the I-Pace still makes a great deal of sense for business users, attracting a low benefit-in-kind tax rating.

Despite its sharp accelerator responses and stunning performance, the I-Pace is easy to drive smoothly in stop-start traffic, because its power delivery is very progressive. Regenerative braking – which captures some of the energy that’s normally lost when you lift off the accelerator, with the side effect that the car slows noticeably – also helps here. While all electric cars have this, when you turn the I-Pace’s to its maximum setting, the effect is so strong that you find you rarely have to touch the brake pedal at all.

Cars were fitted with laminated side windows let in little wind noise, plus you can choose whether you want the electric motors to be near silent or make a sound like the Enterprise going into warp when you accelerate! The one weakness is road noise, which is intrusive over coarse surfaces.

Drawbacks? There’s the ride; there’s great weight distribution and a low centre of mass, but the perennial EV problem is that there’s so much of it. Still, there’s little else to dislike, except the caveat common to all BEVs: if they don’t fit into your life, this one won’t, either. But if they do, you’re looking at the best!

Readers of website full of celebrity tittle-tattle (go on, admit it - it's you, isn't it?) will probably be familiar with the, er, ins and outs of curvy Carla Howe's rather complicated love life - is she dating hip-hop star Tyga or not? Or is she going to be on *Love Island*? Perhaps she's got her eye on someone else these days...? Sadly we don't have the definitive answers to these questions, but what we can tell you for sure is she's looking damned hot these days, and it's always a treat to see her getting her natural curves out for our delectation.

A lady goes to her priest one day and says, "Father, I have a problem. I have two female parrots, but they only know how to say one thing."

"What do they say?" the priest inquired. They say, "Hi, we're hookers! Do you want to have some fun?"

saying... that phrase in no time."

"Thank you," the woman responded, "this may very well be the solution."

The next day, she brought her female parrots to the priest's house. As he ushered her in, she saw that his two male parrots were inside their cage holding

rosary beads and praying. Impressed, she walked over and placed her parrots in with them. After a few minutes, the female parrots cried out in unison: "Hi, we're hookers! Do you want to have some fun?"

There was stunned silence.

Shocked, one male parrot looked over at the other male parrot and exclaimed, "Put the beads away, Frank. It looks like our prayers have been answered!"

For their 25th anniversary, a man and his wife go to

the place they spent their honeymoon. As the couple reflect on that magical evening a quarter of a century earlier, the wife asked the husband, "when you first saw my naked body in front of you, what was going through your mind?"

The husband replied, "All I wanted to do was fuck your brains out and suck your tits dry."

Then, as the wife was getting undressed,

she asked, "what are you thinking now?"

He replied, "It looks like I did a pretty good job of your tits!" (Blimey, that one's got to be 100 years old if it's a day! - Ed.)

Jeremy and Lee are out on the golf course, when Jeremy slices his ball horribly. It flies over the boundary fence and drops deep into a wooded gorge. Muttering under his breath, Jeremy grabs his 8-iron and starts the hazardous climb down into the gorge.

Although the vegetation is dense, Jeremy has a good search and soon sees something glinting in the undergrowth. He fights his way over and sees an old mouldy golf ball next to a white skeleton gripping a rusty 8-iron.

"Lee!" Jeremy calls out. "There's big trouble down here."

"How's that," Lee replies.

"Chuck me a 7-iron," yells Jeremy. "It looks to me like you can't get out of here with an 8-iron."

"Mary, Mary," he slurs as they settle into bed. "Tonight I won best toast of the night down the local."

"That's marvellous John," replied his wife half-interested. "What did you say?"

John sits up, raises his hand high in the air and says, "Here's to spending the rest of my life sitting in church beside my wife."

"Oh, how lovely," she coos before they both fall asleep.

The next day Mary bumps into one of John's pals, who is chuckling to himself as he approaches her.

"Ignore the wife - she hates me watching the World Cup!"

"That's obscene!" the priest exclaimed, before thinking about it for a moment.

"You know," he said, "I may have a solution to your problem. I have two male talking parrots, which I have taught to pray and read the Bible. Bring your two parrots over to my house, and we'll put them in the cage with Francis and Peter. My parrots can teach your parrots to praise and worship, and your parrots are sure to stop

Photographer: BBM

Bexie might well look the very figure of radiant good health in these photos, but she'd like everyone to know that she'd only just been able to crawl out of her sickbed for the shoot because she didn't want to let her admirers among the Mayfair readership down.

"That's right – I've had a stinking cold for the last week. The only thing that's been going down in my bed lately is hot lemon with paracetamol in it!"

Hmm, well if you fancy anything more than that going down in bed, give me a bell, eh...?

Scene from MAYFAIR

Three highly critically acclaimed films this issue - well, they're acclaimed by Mayfair's resident film critic, and surely that's what really counts, isn't it?

THE DAM BUSTERS

May 16th saw the 75th anniversary of the start of Operation Chastise, better known as the Dam Busters raid in which the specially formed 617 squadron flew their modified Lancaster bombers at dangerously low altitudes to 3 dams in Germany to (largely successfully) attack them with Barnes Wallis's ingenious 'bouncing bombs', and to mark the event a newly restored version of the famous 1955 film dramatisation (not that the tale needed any dramatising) was screened at the Albert Hall and in cinemas around the country. With Richard Todd as the Squadron Leader Guy Gibson and Michael Redgrave as Wallis, it's quite possibly the most iconic British war film of the era, with Director Michael Anderson making his name thanks to the groundbreaking special effects and flawless pacing. The 4K restoration looks (and sounds) immaculate, and there's a plethora of fantastic bonus material as well – all in all, a dam fine release!

THE SHAPE OF WATER

We're all familiar with the tail (ahem!) of mermaids falling in love with humans, whether it's via Hans Christian Andersen's (and Disney's) *Little Mermaid* or the lovely Daryl Hannah in the 1984 film *Splash*, but what with Guillermo del Toro being, well, Guillermo del Toro, things were always going to be a bit odder than that when he decided to tackle a similar theme. Sally Hawkins plays Elisa, a repressed and mute cleaner who works at a top secret government lab during the height of the Cold War, and who discovers that the lab is also where a strange human/amphibian (Doug Jones) is being held captive. These two outsiders develop a strong bond – well, basically they fall in love – and things progress rather as you might expect in what's essentially a fantasy fairytale. Brilliantly realised, as you'd expect from del Toro, it's a memorable and moving film.

THREE BILLBOARDS...

Ever since 2008's fantastic *In Bruges*, writer and director Martin McDonagh's been a name to watch. Plays like *Hangmen* and film credits that include *Seven Psychopaths* kept things ticking along nicely, but he really hit the big time with last year's *Three Billboards Outside Ebbing, Missouri*, which was one of the feted films of the year. Written, directed and produced by McDonagh, it stars Frances McDormand as Mildred Hayes, a woman whose daughter was raped and killed some months earlier and who, frustrated by the lack of progress in the investigation, posts three messages on three local billboards questioning why the police haven't made more effort. It's a harrowing tale, and there's plenty of pain in the town on top of Mildred's to add to the drama. Oscar winner McDormand leads a great cast in this top notch release.

RENTON

When we asked the lovely Lena if she fancied a little tinkle on the ivories, we got a bit panicky when she climbed up and pulled her panties to one side! Thankfully she didn't have any plans to relieve herself in that way, although watching as she set about rubbing her nubbin atop that muff-tatstic fanny it was pretty clear that there was a certain amount of self-relief going on! You certainly wouldn't have needed to be a keen music-lover to have located her 'middle C' – apart from the odd nipple tweak she hardly left it alone at all! As piano recitals go, this has got to be one of the best ever!

MAYFAIR Movies

Don't worry, we haven't unearthed the one bongo flick in the world that's promising to make you cum less than normal - that would be just stupid!

CUMLESS

CAST: Anna Foxxx, Britney Amber, Mary Moody, Syren De Mer.

Surely there's never been a better time to make a porno parody of 1995's Jane Austen homage *Clueless*, right? The fact that it's 23 years old means that there's been plenty of time for fans who fancy a tug over a porno version have had plenty of time to save up and now... boosh, it's time to cash in! Anna, Britney and Mary play 3 self-obsessed valley girl types who have little better to do than hang out with other beautiful people and, well, fuck them. To prove the point Anna gets the hump when she suspects her fella's been playing away because she won't put out and so... she puts out. A fantastically gurgly BJ on the sofa's followed up with a pussy pounding in just about all the positions you'd require, with Anna's dusky face looking cracking once it's been splattered in goo. Anna's indulging in some lesbo fun with Mary and

Britney next, with loads of oral action along the way, and then it's mumsy Syren's turn to get in on the fun following the sort of prank that sees her get thoroughly impaled fore and aft on Tommy Gunn's ever-ready pole. Finally scrummy Britney gets some cock action, and it's well worth the wait. Cumless she ain't, so who cares about the odd timing of this release? Available from your local sex shop.

SUPER NATURALS

CAST: Nia Nacci, Isabella Nice, Devon Green, Emma Hix, Brooke Karter.

Oh gawd - not another bleedin' superhero pastiche, surely? There's only so many times a month I can sit through a film that sees one scene after another in which Spiderman duffs one up Wonderwoman, out the Green Lantern and Wolverine double-team Batgirl! Oh, hang on though - there doesn't appear to be any of that sort of thing going on here at all - the things that are both super and natural are the girls' boobs! Well, that's more like it! After a rather sophisticated French theme tune we meet the gorgeous Nia, who wordlessly spreads her legs so that Tommy Gunn can give her a rub through her panties. Some mutual nosing follows before he rubbers up and the young hussy hops on for a cracking cowgirl. Oddly, he doesn't really seem to come at the end, but otherwise it's a top opener, and four other naturally-norked sploshers follow in relatively quick succession. Fans of skinnier girls will doubtless go for blonde Emma Hix (that's her on the left), but for me Brooke's probably the best of the rest after Nia.

New Sensations

HOT WIFE BOUND 3

CAST: Karlee Grey, Alix Lovell, Candice Dare, Giselle Palmer.

OK, so I've missed the first two instalments in this range, but I pride myself on being able to pick up the gist of things in most scud flicks I see, and it's soon pretty clear that what we have here is some very nicely produced scruff for those couples out there who've got a bit of a hard spot for the whole Shades of Grey thing. Horny Karlee founds herself lashed to a post in her nicely appointed gaff and has her boobs lightly whipped by bad boy Xander. He pops the whip in her mush for a while before

deciding that it'd be altogether more fun for all concerned if it was his cock in there instead, and Karlee clearly agrees, giving it a right old slurp before we get to the 'ball' of 'ball and

chain' bit. Still handcuffed to the post she lowers her furry snizz first onto his tongue, then his pole for a corking cowgirl shafting. Blonde Candice, meanwhile, gets her pussy paddled and her perky nips tied up courtesy of Ramon, who certainly knows how to float her boat. They bang away like mad before the cutie kneels for a no-nonsense tongue-basting. Alix and Giselle keep up the good work, the latter scene being a particularly hot one that's sure to please both halves of any sensible couple. Available from your local sex shop.

Mmm, Mia Middleton's scrummy bod really makes us want to lick our lips – although in all honesty there are one or two other things we'd much rather be licking instead...

"Ooh, I love a guy who's good with his tongue! The surest way to get me screaming for a shag is to lick one of my nips for a few minutes – it drives me wild! I once had a threesome with a girlfriend and this guy we both fancied, and at one point they were both licking my nipples at the same time – it was the horniest night of my life!"

And theirs too, we'll wager!

QUEST...

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we - and here they are!

I'm currently a student and live in a shared flat with two of my best mates, Josie and Ella. We are closer than most roomies and often spend long periods together just hanging out or studying. Last

three way lesbian relationship.

While Josie and I have boyfriends, we are also bisexual, whereas Ella has never made any secret of the fact that she is a lesbian. Josie and I were a little shy of Ella at first,

experimentation we all found that we could not only make each other come more easily but that we could prolong each other's orgasms because we knew exactly which

spots to concentrate on.

We had been boning up for our end of term exams, when Josie threw her book aside and sighing, remarked that she was stressed and asked if someone would give her a massage. I hesitated, realising that things were likely to take an immediate Sapphic turn with Ella around.

As I had predicted, Ella promptly stood up and offered her services, saying with a laugh, that she was also feeling pressured and could do with a massage to help her relax. With the other two relaxed about it I began to wonder why I was making such a stupid fuss, and I stripped off like the others and fetched some towels while Josie went to see if she could find some baby oil or moisturiser.

Meanwhile Ella went to fetch the half bottle of wine we had in the fridge, pouring us all a glass to help us chill before we started, and after that the party began. Toasting one another we started

giggling and rolling about on the towels that we

had laid over Josie's bed - the only double in the flat. The wine relaxed us and rather than feeling awkward we were completely uninhibited.

Josie lay on her tummy, stretching out so that we could rub the scented oil which she had found in the bathroom cupboard into her tense muscles. I started at her shoulders, rubbing my fingers across her soft flesh and trying to release the knots. Meanwhile Ella began on her lower back working her way with alacrity towards Josie's voluptuous arse-cheeks. This made me change direction and work downwards towards where all the action was taking place.

We lightly massaged her buttocks for a short while before Ella gently eased them apart and suggested that I drizzle some oil along Josie's bum-crack. I did so, delighting in the way her little anal ring quivered and twitched as the oil ran over its surface. As one we worked the oil into

her ring, lubing it up until we could easily insert at least one finger. Ella shunted her digit in and out while under her instruction I began to rub Josie's labia, pinching and pulling the delicate petals until Josie began moaning and whimpering.

In wonder I watched as Ella slowly frigged Josie's bum-hole. It was such an erotic sight that my nipples hardened and I began to feel my pussy juice seeping between my now extremely sensitive labia. Slowly and gently I inserted one, and then two of my fingers between Josie's labia, moving them back and forth, in and out in time with Ella's fingers. Josie was sobbing and gasping as her pleasure grew and when Ella suggested I rub Josie's clit with my thumb, Josie came hard on my fingers, her internal muscles tensing as they gripped tightly around my invading digits.

I could feel Ella's fingers through the thin membrane which

separates Josie's two love-holes, and for that moment I felt intensely emotional and close to both of them. Josie came long and loud, her cries of ecstasy filling the room as her pussy and arsehole contracted and convulsed on our diddling fingers.

Once she had come down from the tremendous high we all snuggled together, kissing and caressing one another, our fingers trailing and teasing one another's sensitive areas. We oiled and massaged each other, arousing each other to dizzying heights

as our bodies writhed and shimmied against and over one another. My skin tingled as the girls fingers worked on my nipples and pussy. I found myself thrown back on the bed in abandon, my legs spread wide while Ella ate my pussy and Josie suckled on one nipple while her fingers tweaked and pulled gently at the other.

Ella's tongue probed deep inside my tingling slit, sliding in and out as my hips jerked up to meet it. Josie and I sucked on one another's teats, squeezing and kneading each others breast flesh at the same time. Then Ella's tongue withdrew from between my swollen and extremely sensitive labia and began batting against my throbbing clitoris. My back arched, as my orgasm grew in intensity and my whole pussy began to convulse, sprinkling my juices onto Ella's waiting tongue.

Still gasping from my exertion, I turned to Ella and kissing her on the lips mounted her like a man. Our tits squashed together as I began to ride her, our pussy mounds rubbing against one another. As we did this Josie moved behind me and began tonguing my ring. Ella and I ground our pubic mounds harder and harder as Josie probed and prodded my throbbing anus, and as we came together she pushed her face further between both our legs and began lapping up all our pussy nectar.

Sated, we all snuggled together, three very close friends. These days our boyfriends are a little confused by how diligent we have become in our studies, because we hardly go out at all except on weekends... and even then we are content to return home early and have a bit of fun together. Maybe we'll invite the boyfriends some time...

It's funny how life turns out, isn't it? My best mates from primary school were Lauren and Hannah – we were virtually inseparable and I thought that would never change. But we all went to different colleges and moved on, losing touch with each other. Then, in January, at a mutual friend's wedding, we met up again and just seemed to pick up where we left off. It was almost like we'd never left. We had a fantastic night, which reminded us all what a special friendship we shared and that we needed to keep in touch from then on. It ended up with Hannah inviting us to stay at her place in London a couple of weeks later. She knows all the best clubs, and sorted out one hell of a girls' night out for the Saturday.

That girls night was one to remember from the off! Hannah's a fashion editor for a major mainstream magazine (that shall remain nameless!) so she managed to pull some strings and not only get us a make up artist and stylist to get us ready, but had also bagged some high-end samples from the mag's wardrobe department! I'd never worn designer togs before and I felt fricking amazing!

Hannah also had a mate of hers pick us up in his Hummer and take us into Soho to start the evening off with a few cocktails. Talk about arriving in style! I've never felt so swanky as we pulled up outside the bar and everyone craned their necks to see who we were! It was so exciting!

We went to a few bars before hitting a club in Mayfair. That was really blingy, too, and I felt like a superstar, or something! We ordered a bottle of fizz to our table and relaxed, having an absolute scream, really enjoying being back together as a group again. It wasn't long before Hannah and Lauren announced they were itching to dance. I hung back, preferring to people-watch and soak up the atmosphere – and the booze!

And maybe it was down to that booze, but I just couldn't take my eyes off Hannah when she was on the dancefloor. She's got such a sexy body and she knows how to move it, so she's mesmerizing when she's lost in music. I began to feel a slight tingling in my groin, then realized what I was doing, gave myself a mental slap around the face and told myself to snap out of it!

Hannah's one of my oldest friends, after all! But I couldn't help thinking about Hannah in that way. I've never fully been with a girl, but I have had the odd innocent dalliance and have a fairly open mind

enough to satisfy me for the time being. When I walked back into the living room, I was amazed to find Lauren looking closely, fascinated, at Hannah's pierced nipples. Lauren's always moaning that her boobs

are too small, and when I sat down, she grabbed my top and said to Hannah: "See? That's a proper pair of tits!" Hannah copped a feel, just as a joke, but when I glanced at her our

when it comes to sexual hook ups. Add to this that it turns out that all three of us are 'touchy-feely' types, very tactile and gungy with each other. We naturally sort

of snuggled up in the cab home, me in between Lauren and Hannah, and I started feeling a bit juiced-up. Again, this could easily have been the alcohol, but I couldn't ignore it and by the time we got back to Hannah's, my snatch was pretty moist.

Back at Hannah's I needed a wee, but while I was in the bathroom I had a little wank – not enough to bring myself off, but

of interest, but when she looked me right in the eye again, I leaned in for a kiss. We both felt gobsmacked, but Lauren looked so stunned we burst out laughing, and Hannah said, "Right! Let's lez her up too!" We sort of lunged at her, feeling up her tits, giggling like idiots, but then Hannah started snogging her too.

They broke apart, just long enough for

intimate with a woman before. She gasped and started moaning when I gave the rings

as fast as I could lap it up, and when she turned around to look at me her face was

a gentle tug, and even louder when I gave her a quick lick, just to see how she tasted. Every time I paused, she'd moan, "Don't stop," and as I started lapping harder, and flicking her piercings with my tongue, she'd grind herself against my face.

As she pushed her arse back, I realised she was kissing her way down Lauren's body. I shuffled back until the three of us were in a bit of a chain

soaked with Lauren's sticky wetness. I kept three fingers inside her, to keep her on the boil, and she moved in for a wet snog with me – I tasted Lauren on her lips and tongue while she tasted herself on mine.

“MY TONGUE RAMMED UP HANNAH'S TWAT AS SHE WENT DOWN ON LAUREN'S...”

We switched around, so I was flat on my back, Lauren sitting on my face snogging Hannah, who was rubbing her sopping twat all over my boobs as Lauren fingered her clit. When they'd both come, Lauren got her first taste of another woman's cunt by going down on me, while Hannah rubbed a vibrating dildo in my cleavage.

“I STARTED LAPPING HARDER, AND FLICKING HER PIERCINGS WITH MY TONGUE...”

– my tongue rammed up Hannah's twat as she went down on Lauren's. Hannah was juicing almost

Hannah kept on saying that when she told her bloke what we'd been up to, he'd be kicking himself for going out with the boys that night. I said if he were here, I'd have him spunking on my tits. Sadly, he didn't get home until the next morning, but we consoled him by letting him take some pictures of us so that he's have a permanent reminder of what he'd missed

KIRSTY

PHOTOGRAPHS BY
DENYS DEFRADESCO

Consider the attractions of the Lake District and the long, spun-gold silken tresses of 18-year-old Kirsty from Cumbria must be high on the list. "Men always go on about my hair," she says almost sulkily. "I can thrust my tits in a fella's face or grab his hand and put it on my firm bum, but all he ever wants is to run his fingers through my hair! I'm thinking of cutting it off, then he'd have to stroke my nipples instead! I'd love to feel some nimble fingers running through my pubic hair for a change. Any chance?"

MAYFAIR Classic

We can't help wondering whether, following the publication of this set 28 years ago, there was a little spike in the number of holidaymakers heading to the Lake District. I mean the countryside's more than enough to attract some, but surely knowing that blonde-tressed lovely Kristy might also be spotted up there would surely persuade a few hardy *Mayfair* readers to pull on their thick socks and walking boots and trek to the Lakes! To be honest, I'm toying with the idea even now...

MAYFAIR

Vol.53 No.8

On Sale July 25th

It's all been a bit odd of late – cracking sunny days and quite ludicrous thunder storms have given Paul Raymond Towers a touch of the End of Days feel about it, but we're nothing if not dedicated professionals here, and even if it means getting a) a bit hot and bothered or b) soaking wet, we're always sure to struggle in and spend the day looking at pictures of naked ladies. Ahem, so anyway, you can be sure that next month we've assembled another crack unit of delectable totty, with Chloe Toy looking hotter than ever and newbie Ulysse putting on an epic display.
